ENVIRONMENTAL, HEALTH & SAFETY (EHS) POLICY

Introduction

SKY GROUP is committed to managing Environmental, Health, and Safety (EHS) matters as a top business priority. We integrate EHS practices into all operations to protect people and the environment.

Core Principles

We adhere to the following core principles:

1. **Zero Harm:** Strive for no harm to the environment.
2. **Employee Safety:** Prevent workplace injuries and illnesses.
3. **Compliance:** Meet all applicable legal and regulatory requirements.
4. **Continuous Improvement:** Enhance EHS performance through ongoing training and development.

Implementation

We implemented by:

- Identify and control EHS risks.

- Provide training to improve employee awareness and competency.

- Monitor and improve safety and environmental performance.

- Encourage responsibility and accountability at all levels.

Conclusion

We are dedicated to safeguarding the environment, protecting employee health, and ensuring workplace safety while continually improving our EHS performance.
