QUALITY POLICY

Introduction

SKY GROUP is committed to enhancing customer satisfaction through world-class quality products and continuous improvement. We align our quality management system with the organization's strategic direction to deliver excellence.

Core Principles

We adhere to the following core principles:

1. **Customer Focus:** Meet and exceed customer requirements.
2. **Continuous Improvement:** Enhance processes, systems, and value additions.
3. **Innovation:** Develop products that meet global standards.
4. **Infrastructure:** Upgrade facilities to improve productivity and reduce costs.
5. **Employee Development:** Improve competence and motivation through training.
6. **Partnerships:** Collaborate with suppliers for mutual growth.

Implementation

We will:

- Maintain compliance with ISO 9001:2015 standards.
- Monitor and improve performance across all operations.
- Provide training to ensure high-quality output.
- Deliver consistent quality and exceptional service.

Conclusion

We are dedicated to providing superior quality products, ensuring customer satisfaction, and continually improving our quality management system.
